Well, isn't this a surprise . . .

That's what you'll think the minute you walk into the Healdton Healthcare. A beautiful, first-class facility. Smiling, caring faces greeting you like an old friend as you walk down the hallways. The smell of good food in the air. A congenial, open atmosphere. And staff standing by, ready to answer your every question, to take away your every care.

All these things and more go to make Healdton Healthcare one of the premier facilities of its type in southern Oklahoma. So if you need short-term care after an illness or fall, or long-term care for yourself or someone you love, please consider the fine facilities of Healdton Healthcare. You'll be glad you did. For more information, please call (580) 229-0737 today.
