This is a place people want to be.

You can see it as soon as you enter the driveway. Friends sitting on the front porch, enjoying the early morning sun, talking about what they're going to do that day. Smiling staff, stopping to give someone a hug and laughing at some comment. The tinkle of a piano wafting down the hall.

They say nursing homes are supposed to be unhappy places, but those who are lucky enough to live at Meridian know they're wrong. They know they live at the best nursing home in southern Oklahoma. Won't you take a moment to find out what's so great about Meridian? Please call 439-2398 today for more information and ask how our skilled staff
